

DEPARTMENT OF CHEMISTRY

Undergraduate Teaching Assistant (UTA) Application

Several undergraduates are selected each semester to serve as Undergraduate Teaching Assistants (UTAs) in Department of Chemistry teaching labs. The role of a teaching assistant is to provide support for faculty laboratory course instructors. A UTA will receive financial compensation for the semester and is typically assigned to assist in one 3-hour weekly lab section. Duties will include grading and some lab preparation. Some courses also require UTAs to serve as proctors for quizzes/examinations.

*Applicants should complete the form below by the **March 20th** to receive full consideration for a Fall UTA position and by **October 28th** for a Spring UTA position. Application can be made for both Fall and Spring semesters by checking both boxes below. Please provide the name of two faculty members that can serve as a reference. Applicants do not need to submit a letter from the faculty, just provide the names. Submit the completed form to the Chemistry Department Office.*

Semester (please check one or both): ☐ Fall 20____ ☐ Spring 20____

Name: _____ UID: _____

E-mail Address: _____ Cell Phone # _____

ISU Grade Point Average: _____

Classification: ☐ Freshman ☐ Sophomore ☐ Junior ☐ Senior

Major(s): _____ Minor(s): _____

Names of two faculty members that can serve as references: _____

Work Study Eligibility Information:

Have you applied for financial aid (College Work Study, Direct Student Loan and/or supplemental Education Opportunity Grant) at ISU for the term you wish to be a UTA? ☐ Yes ☐ No

If you have applied for financial aid at ISU, have you been notified of an award? ☐ Yes ☐ No

Have you received College Work Study financial aid at ISU in previous years? ☐ Yes ☐ No

Please indicate how many sections you are willing to teach:

Please list the chemistry courses you have taken:
